# OUR TECHNOLOGIES

## ELLIPTIC

PROGRAM

### ELLIPTIC PROGRAM

The elliptical shape inside the shower allows a distance that is as equidistant as possible between the body and the lamps, the tan will be uniform over the whole body.

## SENSITIVE TOUCH

PROGRAM

### SENSITIVE TOUCH PROGRAM

With the exclusive Sensitive Touch Program keyboard, the iteration between the client and the screen is complete. The large screen and the backlit and intuitive functions allow easy and complete management by the customer. Even in case of heavy use the screen does not wear out.

## DOUBLE COOLING

PROGRAM

### DOUBLE COOLING PROGRAM

Separate body and lamp ventilation guarantees perfect cooling and a long cooling time. Thanks to the exclusive system of the side slits, the body is caressed with a pleasant breeze or with a vortex of power allowing a tan in full relax.

## LEGS

PROGRAM

### LEGS PROGRAM

With reflective mirrored platform the tanning of the legs is optimized.

## BLUETOOTH+RADIO

PROGRAM

### BLUETOOTH + RADIO PROGRAM

With the Bluetooth system you can connect your smartphone to listen to your favorite music, adjust the volume level and move to the next tracks directly on the Sensitive Touch Program keyboard.

Your favorite radio program will be available at the touch of a finger.

## IP INTELLIGENT

PROGRAM

### IP INTELLIGENT PROGRAM

The personalized regulation of the power supplies electronic, reduces energy consumption and increases lamp life. This system guarantees economic savings, lower CO2 emissions and lower environmental impact.

## NO SHADOW

PROGRAM

### NO SHADOW PROGRAM

In all showers Tecnosole the construction system interior excludes any shaded area. The body is thus perfectly tanned and evenly.

## ELECTRONIC

PROGRAM

### ELECTRONIC PROGRAM

Thanks to the static electronic system it is obtained up to 20% energy savings without minimizing tanning performance.

## TOP SOUND

PROGRAM

### TOP SOUND PROGRAM

Balancing with Top Sound Program and the sound reaches the highest levels. The special acoustic speakers guarantee a "clean and round" sound.

## PERSONAL TANNING

PROGRAM

### PERSONAL TANNING PROGRAM

Soft, Medium and High are the three programs of personalized tan. The client you can choose the desired tan at the touch of a finger.

## LAMPS

PROGRAM

### LAMPS PROGRAM

The exclusive Tecnosole lamps guarantee performance and durability. The 2 meter long tubes also satisfy very tall customers.

## HYBRID TOP

PROGRAM

### HYBRID TOP PROGRAM

High-intensity Collagen LEDs provide a beauty treatment in the areas of the face, neck and décolleté during the session Tanning.

## CLEVER

PROGRAM

### CLEVER PROGRAM

The static magnetic feeding system allows a low energy absorption with excellent results in terms of tanning. Even the 180W lamps 2 m long will be efficient and durable.

## DIGITAL KEYBOARD

PROGRAM

### DIGITAL KEYBOARD PROGRAM

The digital keyboard, simple and intuitive, facilitates the customer in the choice of functions of the shower.

## COLOR SHOW

PROGRAM

### COLOR SHOW PROGRAM

The lighting of the door with multicolored LEDs makes the solar shower unique and desirable. The choice between individual colors or a multi-layered animation colors always offers new possibilities of renovation.
